Aloha Mr. Gaines:

I wish to express my appreciation for inviting me to participate in Mililani Uka Elementary's Read Aloud session. It was a pleasure to be around such enthusiastic students. Concurrently, I thoroughly enjoyed the opportunity to read to their parents as well as discuss the importance of reading to their children.

Both the Lt. Governor and I appreciate the efforts of the Read Aloud program in bringing reading to the forefront of family activities. Your strong leadership and vision as founder set a fine example for parents, who in turn will set a positive example for their children.

Again, thank you for your outstanding work within the community. I look forward to participating in Read Aloud programs in the future.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive that reads "Linda Lingle".
