Dear Jed Gains,

The Read Aloud America Program rocks!!!!

Many thanks to you and your team for helping us improve the overall quality of our school's culture of literacy. Without assistance from you and your team, our faculty and staff would not have been able to implement this magnitude of a program at our school.

We are truly grateful for you and your team's involvement. Programs like this increase the awareness and importance of reading and more importantly the pleasure it brings.

We have observed and witnessed the excitement of the RAP program at our school for all six sessions. The hallways echo with students and adults positively commenting on RAP. We can hear, "See you tonight...." "I wonder what book we will read tonight?" "I hope I win a prize."

Thank you again for your support of this program and your commitment to improving the awareness of literacy.

Sincerely,
