# Read Aloud America®

*Building Families of Lifetime Readers*

January 2011

Dear Parents, Grandparents, Teachers, and all who read to children:

Here is the new Read Aloud America 2011 Reading List of great read aloud books for children of all ages. You will find many new titles and some all-time favorites. I hope that you find the list both a helpful guide of books to read aloud to the children in your lives and a resource when choosing a book to give as a gift.

My sincere thank you to the committee members who read over 100 books. To recommend a book for the 2011 reading list, the committee chose books that have:

- Excellent read-aloud appeal
- Variety of male/female main characters, genres, and popular authors
- Strong development of characters, plot, themes, and subtle moral (character-building) messages
- Age group appropriateness

The committee members and I are interested in your feedback. Please feel free to email me at [read@readaloudamerica.org](mailto:read@readaloudamerica.org) with your comments as well as your own recommended read-aloud favorites.

Sincerely,

Jed Gaines, Founder/President
