January 2016

Dear Parents, Grandparents, Teachers, and all who read to children:

Here is the new Read Aloud America 2016 Reading List of great read aloud books for children of all ages. You will find many new titles and some all-time favorites. You also might note that some of the books on this list appeared on previous annual reading lists, which date back to 1998. Please go to this link to view Reading Lists that we have compiled since 2010: http://www.readaloudamerica.org/booklist.htm

I hope that you find the list both a helpful guide of books to read aloud to the children in your lives and a resource when choosing a book to give as a gift.

My sincere thank you to the committee members who reviewed over 100 books. To recommend a book for the 2016 reading list, the committee choose books that have:

- Excellent read-aloud appeal
- Variety of male/female main characters, genres, and popular authors
- Strong development of characters, plot, themes, and subtle moral (character-building) messages, and
- Age group appropriateness.

The committee members and I are interested in your feedback. Please feel free to email me at: jegaines@readaloudamerica.org with your comments as well as your own recommended read-aloud favorites.

Thank you.

Sincerely,

Jed Gaines, Founder/President
